 - b. Student Fees in Spring Quarter
 - i. Clarification from Lucy: You may have read the message that went to all students last Friday, confirming that all fees would be charged for spring quarter, including campus based fees. Apologies from Lucy; there was

some miscommunication regarding the request to SFAC to be involved in a process to review spring campus based fees. Lucy is meeting with a team member from the Chancellor's Office on Monday...stay tuned and let's keep looking forward in terms of our role to help advise on long-term fee policy issues. Thank you for your engagement.

- c. Guests/Discussion with impacted units
 - i. Recommendation from Lucy: throughout spring quarter, invite guests from student services to visit with SFAC to provide updates on services to students, financial impacts of COVID-19 (especially for revenue generating units). Student Health Services/CAPS would be available for our next meeting on April 17th.

5. Adjournment
