 1. Help promote voting using [these images](#). Note from Lucy - some of these are general “get out the vote” announcements and some are specifically in support of Measure 75.
 - ii. Feedback from Kimberly Register re: CARES Act follow up question related to “double dipping”
 1. *It is highly doubtful any programs supported by campus-based fees would qualify for the institutional portion of CARES act funding. This is because those funds are to be spent in support of significant changes to delivery in instruction. Campus-based fees are prohibited from supporting instruction per PACOAS 80.*
